Citizen Comment Period:

- Justin spoke as a citizen and wants to get a nerf gun game around the end of the school year on that Friday or Saturday, the last week of school. Will research what could be possible and give an update at the May meeting.
- Leroy advised Boyd Brookshire has offered to assist him at the Peck Cleanup Day in removing the Peck Park sign from back stop at the ball field and the letters off the front of the Community Building. Leroy will work on the ball field by bringing in some sand for the pitcher's mound. He and Cindy will donate the materials to make new bases for the field as well. Leroy also spoke to Dustin regarding expanding the Peck Cemetery. There have been numerous requests for burial plots in the last several months, so this is a topic for exploration.
